13. Agrotekma: Journal of Agrotechnology and Agricultural Sciences, SINTA Accreditation 5

14. JCEBT (Journal of Civil Engineering, Building and Transportation) SINTA Accreditation 5

Meanwhile, there are already a number of journals from Medan Area University that are in the Accreditation and Re-Accreditation Process to become the next accredited journal and increase their accreditation ranking. Hopefully, with the accreditation of 14 Medan Area University Journal, Medan Area University will become more advanced and prosperous in scientific publications

and hopefully other Medan Area University journals can follow for national accreditation.
